About Us

Launmark Global LLP, the sister concern of Launmark India Pvt Ltd was started in 2018 by Mr. Joby K M, Managing director, Launmark India Pvt Ltd. Launmark Global aims to trade all kind of laundry products from various companies such as machinery, spare parts, chemicals, supporting equipments, consumables, service, guidance, create designs, software, marketing...etc. across the industry.

History

When the competitors from the industry were struggling to fulfill its customer needs, Launmark customers were happy with the machines and prompt support provided by the company. During this period, the Board of Directors of Launmark decided to associate with those companies in order to save the industry from crisis. Thus the Launmark Global LLP was formed. Gradually the company increases its international presence. Now the Launmark Global LLP is branched out as an International Trading Company.

Moto

The Launmark Global LLP aims to provide all the Laundry & Drycleaning products, service, consumables, chemicals, and all national and international brands in a single roof.

Our Brands

Cristal

Cristal was started in 2009. Cristal is the 1st & foremost company, started by Joby K M managing director of Launmark India Pvt Ltd., from Laundry service, the company started focusing on the Laundry machinery production by 2011. Cristal started manufacturing laundry machines for wholesale and bulk orders, for other Companies. Company's commitment to the customers and the standard machinery makes cristal to step into the production of medium/commercial laundry machines. Thus company grows and started working in multiple angles like manufacturing laundry and medium laundry machinery.
